Dear Fabulous First Grader,

Welcome to the first grade. I am so excited that you will be coming to my class! I have planned many exciting things for us to do this year. You will be reading new stories, going on field trips, and meeting some new friends. This year we will also be learning new and interesting things in math, science, and social studies. Writing will be a very important part of our day as well.

The first day of school is a full day, so please be sure to bring your lunch, or you may buy a school lunch. Also, please bring a snack to school to have at snack time. **If you bring money for lunch and/or you want to purchase milk, please put it in a sealed envelope with your first and last name on it so it doesn't get mistaken for someone else's money.** Also, wear or bring your sneakers because if it is a nice day, we go outside for recess and **you must wear sneakers to play on the playground.** You also need socks and sneakers for Physical Education.

On the back of this letter is a list of supplies that you will need this year. It is important to have your supplies so that you are prepared for fun and learning. Please remind your parents to put your name on **everything** that you bring to school. Enjoy the rest of your vacation, and I will see you soon. Look for me in room #105!

Your new friend and teacher,

Mrs. Marko
