Dear Parents/Guardians of Freshmen:

On Wednesday January 13, 2021 the Chittenango High School SADD (Students's Against Destructive Decisions) club with the support of the New York State Governor's traffic safety committee will have the opportunity to hear the story of Jacy Good.

In 2008, Jacy Good and her parents were traveling by car and were involved in a tragic distracted driving crash that took the lives of Jacy's parents. Jacy was critically injured in this crash and after multiple surgeries she is returning to normal life. As a result of this life changing crash, Jacy and her husband, Steve, have created the "hang up and drive" organization. Jacy has shared her story to thousands of high school students across the country. Our freshmen will have the chance to hear Jacy's story and impact that distracted driving has had on her life and family.

Jacy will share her story via zoom on Wednesday January 13th at 10am. If you have any questions please contact Lisa Murray, high school ADAPEP counselor, and SADD advisor at 315-687-2911. Thank you.
