## “The Address for Success”

September 2018

### Principal's Monthly Message

Welcome scholars, families, and community members to the 2018-2019 school year! We hope everyone had a restful and exciting summer. At Bolivar Road Elementary we were busy preparing for this school year. Teachers worked diligently on curriculum projects, as well as getting their classrooms ready for our scholars' arrival. We are very excited to announce that Read To Them® named us School of the Year for our work around our One School, One Book® program last school year. We will be introducing and giving out all the materials for this year's OSOB on September 21.

We look forward to seeing you at our Open House on Thursday, September 27 from 6-7:30 p.m. As always, your support of your child's educational program is an important factor in his or her success in school. Please contact your child's teacher early if you have any questions or concerns, or wish to pass along information. Establishing strong communication between home and school is an important goal for all of us. Together, we will have a productive, positive year.

Throughout the year, we have several exciting events planned for you and your child. This monthly newsletter will go home at the beginning of each month. Dates for events happening in our school for each month will always be on the back of the newsletter. We will also remind you of these events by sending information home in the home/school communication folders or scholars' assignment notebooks. Please check those folders daily.

Please contact me if you ever have any questions or concerns.

Ms. Burgess
