Present: 19 (Scott Mahardy, Kelsey Wisner, Melissa Stanek, Jaime Fitzgerald, Diana Fitzgerald, Michael Eiffe, Kristin Tedford, Jason Clark, Aaron Velardi, Matt Stearns, Natalie Stansbury, Janice Danaher, Donna Baker, Jennifer English, ++)

Overview of capital project:

Mr. Eiffe:

- Multiple areas: more than a 5 year plan (est 10-15yr)
- A year and a half ago, assessment of multiple areas, auditorium needed work
- Work planned for about a year: materials/ products plan to be feasibility
- STEAM (arts) and STEM aspects w/ vision planning
- \$850,000: King and King architecture, in touch w/ daily
 - lights, sound, ringing
 - redesign for electronics
 - acoustic work, sound box

Mr. Clark:

- Short term planning:
 - Mr. Stearns meeting for assessment of situation at hand to assist for the current facility.
 - Correct immediate issues, specifically sound w/ notion that we can use whatever purchased for the future.

Mr. Mahardy:

- Consultant, AVL to analyze needs
 - Electrical work
 - Rigging, motorization (10), 12 “dead hung”
 - Lighting was done recently, but planning controls and LED
 - Speakers: need tuned and pitching
 - Projector
 - 60 new mics
- Projected to start Summer 2020, hope to be done by August 2020
- Base information to “band aide” to make it better to not allow mishaps happen again

- ? different frequencies, when, is difficult until the consultant comes.
- No physical structures to be changed

Q&A:

- Incorporate staff more w/ this project has been done to be as highly functional
- Sustainability
- Transparency

10 yr plan:

- Allocation of space, assure we are competitive as a district not only locally, but nationally and globally
- STEM/ STEAM (performing arts center) additions, curricular access to technology

Meeting adjourned: 7:05pm
