

Hello Bridgeport Families!

Bridgeport Elementary is extremely appreciative of the students and families who have donated to our canned food drive to benefit the Sullivan Food Cupboard in Chittenango, who work to eliminate in surrounding areas. The Sullivan Food Cupboard thanks all for your kindness and compassion! We certainly are a caring school community!

Our Second Step curriculum, which is a social and emotional learning program for each grade level, is in full swing. In the weeks leading up to the holiday break, we learned about empathy and compassion, how feelings can change during a situation, emotion management, and predicting others' feelings. In a building wide activity, students either wrote or illustrated a way they can exhibit kindness in our school for all to see. This will be in a great reminder of all the wonderful things our students do for others in our caring school community. I am very proud of the students' participation and thoughtfulness during this activity!

Enjoy the holiday break and time with your families!
