10/28/20	PM UPK Attends; NO AM UPK	

EW

PRINCIPAL'S PAD

We are off to a wonderful start at Bridgeport Elementary. Remember that you can always contact your child's teacher if you have any questions or concerns, or wish to pass along important information. Establishing strong communication between home and school is important for a positive and productive year.

Health Screening Forms- Please remember to complete these each day your child attends **In Person** instruction. This is a critical part of our health & safety measures. You should receive a nightly email with the on-line form to complete. If you need a paper copy, you can print one from our district website.

PTA- Please consider joining PTA. It only costs \$5.00 to join. Our PTA works very hard to fundraise and provide wonderful learning experiences for students.

Other Upcoming Events -

Open House- we will not have an in person evening event as we have in the past. This year, Open House will be virtual. On October 9th, links will be available for you to view important information about your child's class(es).

October 12th- No School, Columbus Day

October 28th- K-4 Half Day of School, Dismissal at 11:30, UPK (4 year olds) PM Class Attends and AM class does not.

Halloween- there will be no parades or costumes this year. Teachers will be doing their own safe, socially distant class celebrations on their own. Look for specific information from your child's teacher.

Attendance Fact - Did you know that missing just 2 days of school a month means a child misses 10% of the school year? - attendanceworks.org

Hello Bridgeport Families!

Hello Bridgeport Families and Happy Fall!

I have begun visiting your child's classroom using the Second Step Program. This program is designed to enhance students' social and emotional skills so they can be successful inside and outside the classroom. The past couple weeks, we learned how to be respectful listeners and learners, along with how to focus our attention. For more information about the Second Step Program, please visit their website at <https://www.secondstep.org>. In addition to classroom guidance lessons, I provide counseling for students who need extra time to build their social and emotional skills. During this challenging time, I would like to extend my services to students who are having a particularly hard time adjusting to the new school structure and the ever changing world around us.

As always, please contact me if you have any questions or concerns at 315.687.2280 or aorioli@chittenangoschools.org.
