

MEET *your* TEACHER

Welcome to 4th Grade!

I am so excited that you are in my class this fall! In 4th grade, we learn a lot of new and exciting things. We will be practicing multiplication, division, and learning about fractions in math. We will learn about New York State and you will participate in making an Iroquois longhouse! In Science, we'll explore rocks and volcanoes. It's all so exciting! Please keep up with your reading this summer. We will be reading and writing every day in 4th grade. I can't wait to meet you!

Love, Miss Rudd
