

June 2020

Dear Fourth Grader,

Hi! My name is Mrs. Terchowitz and I will be your teacher in September.

Fourth grade will be an exciting year of learning! We will read a lot of fantastic books and work on developing and strengthening our reading and writing skills. In science, we will learn about some interesting topics such as electricity, simple machines, volcanoes, plant life cycles, and much more! We will also be learning about the history of New York State and the local history of Chittenango. I will be your teacher for language arts, science, and social studies, while Mrs. Sammon will teach math.

Next year I will have two important goals for you - that you feel good about learning and that you feel good about yourself. Our classroom will be a comfortable place where we will enjoy working together and challenging ourselves to be the best that we can be. I think that you will be proud of what you can do when you work hard.

Please spend some time this summer enjoying reading, writing, and practicing your multiplication facts. Perhaps we'll run into each other at Bolivar before September. If not, I'll be waiting for you at my door in room 125 on the first day of school. I look forward to seeing you soon! Enjoy your summer!

Sincerely,

Mrs. Terchowitz

Below you will find a list of supplies that you will need for school.

- 3 sturdy, plastic pocket folders
- 24 #2 pencils (please replenish throughout the year)
- 1 package of loose-leaf paper (**wide ruled**)
- 2 boxes of tissues, 1 container of Clorox Wipes
- 1 box of Zip-loc bags (Sandwich, quart OR gallon size)
- 1-inch, 3-ring binder
- 1 package of clear sheet protectors (**about 20 sheets**)
- Colorful pens (any color)
- 1 Sharpie permanent marker (blue or black)
- 4 highlighters (4 different colors)
- soft, zippered pencil case
- Earbuds or headphones

Optional Supplies:

crayons or markers or colored pencils, glue sticks, sharpener (with cover)
