Dear Community Members,

As you may be aware, Ms. Hyland was involved in a tragic car accident early yesterday morning. It is with heavy hearts that we share with you, Ms. Hyland passed away this morning. It is with indescribable sorrow that we, as a school family, begin to cope with the loss of one of our finest teachers. Our thoughts and prayers go out to Ms. Hyland's family and the entire Chittenango Central School community. Without exception, Ms. Hyland was loved and adored by our students, staff and everyone she came in contact with.

In our efforts to support one another in this unthinkable tragedy, we have gathered our crisis team at both the middle school and high school. Additionally, we are prepared to have counselors from across the district and outside the district to provide help with the grieving process for students and staff. Now, or in the weeks and months to come, please let us know if there is anything we can do to help support you or your loved ones.
