Principal's Message

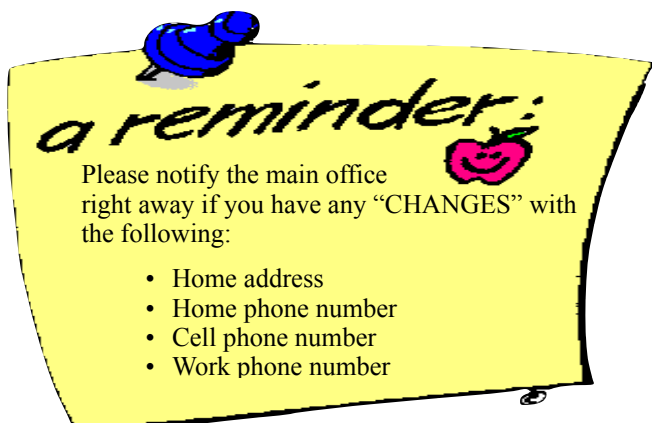

On January 31st, the second report card will be issued. This is a good time to reflect on your child's progress after the first report card, parent conferences, work sent home, and other school communications. As you consider your child's achievements, help him/her set goals for the next semester. Talk to your child about what he/she is proud of, what he/she would like to improve, and how to meet those goals. Goals help children focus on what's important and what's not. They are the foundation of responsible behavior and success in school. Please feel free to contact your child's teacher with questions for help selecting goal areas for the rest of the school year.

Student Pick Up/Parking Lot

Please be aware that there should be no parking in the bus loop in the back parking lot while picking up your student. It is illegal to park in the no parking area. Parking in the bus loop area also blocks our buses from loading the students and leaving the school.

Please be considerate of others while picking up your child and park in the designated student pick up area in the back parking lot. Students should use the crosswalk to get to your vehicle.

Through the student council initiative, in December, students at CMS brought in 6,225 items to be donated to the Sullivan Food Cupboard.

A special thank you to the CMS Maintenance crew, Chittenango Teacher Association, Chain Reaction Club, Modified Girls' Volleyball team, staff, administration and community for their generosity and participation.

One of The Positivity Project's character traits for the month of December was 'kindness' and CMS truly demonstrated this by helping others in need. Thank you!
