Principal's Message

On February 5th, the second report card will be issued. This is a good time to reflect on your child's progress after the first report card, parent conferences, work sent home, and other school communications. As you consider your child's achievements, help him/her set goals for the next semester. Talk to your child about what he/she is proud of, what he/she would like to improve, and how to meet those goals. Goals help children focus on what's important and what's not. They are the foundation of responsible behavior and success in school. Please feel free to contact your child's teacher with questions for help selecting goal areas for the rest of the school year.

Through the student council initiative, in December, students at CMS brought in 3,935 items to be donated to the Sullivan Food Cupboard.

A special thank you to the CMS Maintenance crew, Chittenango Teacher Association, Chain Reaction Club, staff, administration and community for their generosity and participation.

a reminder:

Please notify the main office right away if you have any "CHANGES" with the following:

- Home address
- Home phone number
- Cell phone number
- Work phone number
