

Dear Fabulous First Grade Friends,

Welcome to First Grade! I am so excited that you will be a part of our virtual class this year! I am planning many exciting and interesting things for us to do! You will be listening to new stories, going on virtual field trips, and meeting some new friends. First grade is a year filled with lots of new experiences and adventures, and we will make the most of our learning time together!

Below is a list of supplies that you will need this year. It is important to have your supplies each day, so that you are prepared for our learning time together.

- 20 buttons or other small items you can use for counting (macaroni, pom poms, Cheerios, coins, etc.) It is best if these are 2 sets of 10 (ex: 10 pennies and 10 nickels, 10 blue pom poms and 10 red pom poms)
- sharpened pencils
- crayons
- scissors
- highlighter (if you're getting more than 1 get different colors)
- glue/glue sticks
- dice (for math games)
- deck of cards (for math games)
- headphones (optional)

Please have your parent(s)/ guardian(s) send me their preferred email contact information at eshepard@chittenangoschools.org, so that I can touch base with them, and send them details regarding our first week together!

Your new friend and teacher,

Mrs. Shepard
