

# Welcome to Third Grade!

Dear Students and Parents,

Welcome to the virtual third grade! My name is Mrs. Brooker, and I am excited to say we will be working remotely together throughout this upcoming school year! Mrs. Starke is also teaching third grade and will be part of our lessons. My job is to serve your family as best I can. My goal is for your child to grow academically, emotionally, and creatively by the end of the year.

I realize each student is unique with his/her own learning style. With this in mind, I will use a variety of learning methods to teach students the third grade curriculum. Our online classroom community will provide students with opportunities to work independently, in small groups, and in large groups. We will work together and learn from each other. More importantly, we will have **FUN!**

I have included a list of school supplies at the bottom of the page. If at any time you have any questions or concerns please feel free to contact me by email: [kbrooker@chittenangoschools.org](mailto:kbrooker@chittenangoschools.org) Please send me an email, so I can send you the Zoom link for the first day of school for your child. Please join the remind app using the following link: <https://www.remind.com/join/8669a6>. Again, let me welcome you to third grade. I know it will be a fun and very exciting year!

Sincerely,  
Mrs. Brooker
