

Welcome to Fourth Grade!

Dear Students and Parents,

Welcome to the virtual fourth grade! My name is Mrs. Terchowitz and I am excited to say we will be working remotely together through this upcoming school year! I will be your teacher for language arts, science and social studies while Mrs. Sammon will be your math teacher. My job is to serve your family as best I can. My goal is for your child to grow academically, emotionally, and creatively by the end of the year.

I realize each student is unique with his/her own learning style. With this in mind, I will use a variety of learning methods to teach students the fourth grade curriculum. Our online classroom community will provide students with opportunities to work independently, in small groups, and in large groups. We will work together and learn from each other. More importantly, we will have **FUN!**

I have included a list of school supplies at the bottom of the page. If at any time you have any questions or concerns please feel free to contact me by email: aterchowitz@chittenangoschools.org. Please send me your preferred email, so that I can send you the Zoom link for the first day of school for your child.

Please join our class Remind App with the following link:

<https://www.remind.com/join/b7d44f>

I will follow the same in-person learning schedule for the first week of school. Please see below for your first day of school information/Community building Zoom meetings @ 9:00 am with Mrs. Terchowitz and again at 11:00 am with Mrs. Sammon:

Tuesday, September 8 Alpha Blue A-D

Wednesday, September 9 Alpha Green L-Q

Thursday, September 10 Alpha Red E-K

Friday, September 11 Alpha Purple R-Z

Again, let me welcome you to fourth grade. I am so excited to meet you all!

Sincerely,

Mrs. Terchowitz
