

June 2020

Hello parents and guardians,

We want to welcome you and your child to 4th grade! We are very excited to meet you. To be ready for our next adventure together, we are recommending some classroom supplies. Any supply marked with an asterisks (\*) will be stored and organized by the teacher. This is done with two reasons in mind. One, it prevents materials from being wasted and needing replacing and two, it decreases clutter in student desks which become somewhat of a distraction. You may label the supplies that are not intended for sharing with your child's name on them. The bottom items are a part of our *wish list*. Those items help out, but are not mandatory.

We are looking forward to meeting you and having a fun filled year.

Sincerely,

Ms. Giffune and Mr. Aversano
