Dear Future Second Grader,

I am so excited to teach in second grade and to welcome you into my class next year! I know you are looking forward to all the fun things that we will explore together next year. Don't forget to keep on reading and practicing your addition and subtraction facts over the summer to help get ready for second grade. I am looking forward to a successful year for all! Please feel free to email me this summer if you have questions or just want to say, "Hi". I'll be checking my email over the summer at the address below.
