II. Public Comments

The Chittenango Central School District Board of Education welcomes and encourages public input and comments. Board meetings are open meetings held in public, but are not public meetings in the sense of traditional town meetings. The Board accepts and understands its obligation to represent and to listen to the community. The time for public comments is offered at the beginning of every Board meeting. Members of the public are also encouraged to contact Board members before or after Board meetings to express concerns. The Board reserves the right to encourage or exclude comment at any other time. Public comments, at Board meetings, are welcomed within a controlled forum format, as facilitated by the Board President, which does not permit open discussion of confidential issues, such as, but not limited to, student discipline and personnel performance. Issues of a confidential nature would be forwarded to the Superintendent for further review and response.

There were no public comments at this time.
