

October 2025

Chittenango Elementary School Menu

Monday

Did you know?

The main reason for the color change of the leaves is not autumn's chilly weather, but lack of light. The green color of leaves disappears when photosynthesis (from sunlight) slows down, and the chlorophyll breaks down. Trees with a lot of direct sunlight will produce red leaves, while other trees may turn yellow, orange, or brown.

Tuesday

Wednesday

Thursday

Friday
