"The Address for Success"

April 2022

PRINCIPAL'S MONTHLY MESSAGE

The month of March was quite busy. Our students took part in a Fruit and Vegetable March Madness, with grade levels competing against each other by trying different fruits and vegetables. The students ranked 16 fruits versus vegetables and had them square off to determine Bolivar's champion healthy food. Along the way, students learned that fruits and vegetables are a key part of a healthy diet. The students eagerly participated in the tastings that took place over the past weeks. My thanks to our school's Wellness Committee for doing such a wonderful job coordinating the event.

Please remember, as warm weather approaches, our students will be going out on the playground regularly, and for safety reasons, we recommend sneakers or closed-toe shoes.

Hello Spring..... Hello Saving.....

Dollar Dog says hello to Spring - as it's the time of year when there is an air of freshness and growth all around. It's the time of year when butterflies begin to flutter, and birds begin to sing. He also says hello to saving - just as he does in summer, fall and winter. It's always the season to save with Dollar Dog. It's always the season to save using our school's in-school banking program. Say hello to Spring and say hello to saving.
