"The Address for Success"

February 2022

PRINCIPAL'S MONTHLY MESSAGE

As marking period three begins, our teachers and staff continue to work diligently to accomplish the goals we set out to reach back in September. Although it has been a highly unusual year due to COVID, our teachers and students are doing an outstanding job. We all know many challenges come with this, but I am proud to say that we are all rising to the challenge.

Thank you to our PTA for their outstanding support. They continue to play an important role in the lives of our school community, and we are very lucky to have them.

Under the current guidance, please take a few minutes to remind your child(ren) about the importance of wearing a mask, washing hands, and remaining socially distanced. Continuing to follow these three steps, we can continue to meet our academic and social expectations for the school year.

We hope everyone remains healthy, happy, and warm as we move through the winter months.

Kindergarten Registration

All incoming Kindergarteners must be registered and screened before attendance in September 2022. Registration packets will be mailed to student residences in February and can also be requested by calling the main office. Screening dates will be determined at a later time.

In-person Kindergarten Registration will be Monday, March 7th from 9:30-11:30 a.m. and 12:00-2:00 p.m. and Tuesday, March 8th from 3:30-5:30 p.m. at Bolivar Road Elementary School. Registrations will be completed during individual 10-minute appointments and can be scheduled by calling the school at 315-687-2880 between 8:00-4:00 p.m.

Remember to please bring the following to your appointment: child's ORIGINAL birth certificate, signed immunization records and proof of residency. At registration, you will also need the completed registration, health, ethnicity and YouTube Agreement forms received in your packet.

State Testing Schedule

Mark your calendars! The following tests will be administered in March, April, May and June:

- Grades 3-4 NYS ELA Tests — March 29 & 30
- Grades 3-4 NYS Math Tests — April 26 & 27
- Grade 4 NYS Science Tests — May 25 & 26 and June 6

Please encourage good attendance on these dates. It is important that your child is well rested, eats a good breakfast, and is on time. Thank you!

We don't make the school run; we help make it fun!

Dear Family and Friends of Bolivar Road,

Thank you for participating and making the Bolivar Road PARP Program a success. We hope all the reading partners out there enjoyed 20 minutes of reading together each day and have some new favorite stories!

Be on the lookout for more information on our upcoming Square 1 fundraiser to support the PTA's efforts to provide fun programs for all the students at Bolivar Road. Square 1 will feature products showcasing your budding artists work!

Our next meeting will be February 16th, 2022, from 6:00-7:00 pm. Please send an email request for the zoom link. If you have not joined our silent fundraisers, it is never too late - these include AmazonSmile, Tops in Education, and Box Tops.
