“The Address for Success”

September 2021

PRINCIPAL'S MONTHLY MESSAGE

Welcome students, families, and community members to the 2021-2022 school year. The summer is over and the school year is underway. We are certainly living in an unusual time, but all of us are working hard to make this year as successful as possible. We were able to move forward despite obstacles last year. We are ready to tackle what is ahead of us this year.

As always, your support of your child's educational program is an important factor in his or her success in school. If you have any questions or concerns, or if you wish to pass along information, please contact your child's teacher. Establishing strong communication between home and school is an important goal for all of us. Together, we will have a productive, positive year.

Throughout the year, we will have some events planned for you and your child. This monthly newsletter will go home at the beginning of each month. Dates for events happening in our school each month will be on the back of the newsletter. We will also remind you of these events by sending information home in the home/school communication folders (UPK-4th) and/or students' assignment notebooks (3rd and 4th). We would also like to remind you that we use Peachjar as another means of informing you about the many events and points of interest connected with Bolivar Road Elementary.

Once again, I look forward to working with you throughout the year to help all of our students achieve success.

MR. CARULLI
