

REGULAR MEETINGS

The time, dates and place of regular Board of Education meetings shall be established at the annual organizational meeting, unless by a majority vote of the Board at the previous meeting or upon order of the President if warranting conditions have arisen, another date or hour is designated. In the event that the day appointed for a regular meeting falls on a legal holiday, the meeting shall be rescheduled. All regular Board meetings are open to the public, and meeting facilities shall provide access to persons with disabilities.

In addition to the members of the Board, the following individuals will regularly attend the business meetings of the Board: the Superintendent of Schools, the Assistant Superintendent, and other specified personnel as deemed necessary.

Study Sessions

The Board may from time to time conduct informal study sessions at which no formal action will be taken. Even though no formal action will be taken at these meetings, a record will be kept.

Topics of discussion may be varied and include self-evaluation, study of school programs, or progress of an ongoing project such as budget formulation.

Regular notification procedures will apply to these meetings and study sessions will be open to the public.
