

ORGANIZATION OF INSTRUCTION

It is the intent of the Board of Education to organize the district for the effective attainment of student outcomes. Therefore, the district shall be organized for instruction with kindergarten and grades one through four housed in elementary buildings; grades five, six, seven, and eight housed in a middle school, and grades nine through 12 shall attend the high school.

Adoption date: June 4, 2002

Effective: July 1, 2002
