

SCHOOL CALENDAR

During the spring of each year, the Superintendent of Schools shall prepare a proposed school calendar for the following school year. The Board of Education shall adopt an official school calendar based on the recommendations and reports pertaining thereto, prior to June 30 for the coming school year.

The school calendar will provide for days in excess of the number of days required in order that schools may be closed for winter weather or other emergencies without revision to the calendar. If during the school year, it is necessary to close school for days in excess of those provided by the calendar, the Board shall approve of modifications to the original calendar.
