

SCHOOL DAY

The length of the school day for each grade level shall be at least that required by the Commissioner's Regulations.

The Board of Education shall establish approximate times for the opening and closing of each school building of the district for regular instruction. The Superintendent of Schools is authorized to make minor adjustments in the times set, in order to increase efficiency of transportation services.

Adoption date: June 4, 2002

Effective: July 1, 2002
