

## **FIRE DRILLS**

All students and staff must be instructed and trained in orderly procedures for emergencies to protect their health and safety. This includes fire emergencies. As such, each Building Principal will be responsible for conducting 12 fire drills per year in accordance with Commissioner's Regulations to instruct and train students and staff in exiting the school building in an emergency in the shortest time possible and without confusion and panic. Eight of the 12 required drills shall take place prior to December 1 each year.
