

STUDENT TRANSPORTATION

The Board of Education affirms its goal of providing a safe and economical transportation system for district students. Transportation shall be provided at district expense to those students who are eligible as authorized by the Board.

The Business Administrator shall be responsible for administering the transportation program. A Director of Transportation shall be named whose duties shall relate to the services performed by vehicles and their drivers and whose duties shall relate to the maintenance and safety of the vehicles owned by the district. The program shall comply with all applicable laws, regulations and policies established by federal, state and local authorities.
