

Welcome to Third Grade!

My name is Mrs. VanAllen, and I will be your teacher next year. There is so much to look forward to in 3rd grade. I am so excited to get to know you! Until then, let me tell you a little bit about myself.

I am a proud Bear alumni, graduating in 2014. I earned my Bachelor's degree in 2018 from Keuka College and my Master's degree in 2021 from SUNY Albany. In my free time, I enjoy reading, golfing, camping, traveling, and spending time with my family!

This will be my sixth year teaching 3rd grade at Bridgeport Elementary. My favorite subject is math, and I am excited to introduce you to multiplication and fractions! Please see the back for the supply list that will be needed for our learning come September.

We are going to have a great year together! I am excited to carry on Bridgeport's mission through positive relationship building both personally and academically. Our community is further enhanced by your support at home, and I look forward to working with you as well! If you have any concerns or questions, please reach out to me via email, mvanallen@chittenangoschools.org.

Have a great summer full of fun!

Sincerely,
Mrs. VanAllen
