

Dear future 2nd grader,

I am so excited to welcome you to our second grade class! I am overjoyed that you will be here to join me on this 2024-2025 school adventure! I know that you are looking forward to all the fun things we will learn and explore together. It is a *very* good idea to keep reading as well as practice your addition and subtraction facts over the summer to help you get ready for second grade! I am looking forward to it being a successful year for all. Feel free to e-mail me this summer if you have any questions, or even if you'd just like to say "hi," and introduce yourself! I will check my e-mail over the summer at the address listed below. Please see the attached list for school supplies necessary to ensure a successful, productive school year.

I can't wait to see you in September!
