Hello!

I am Mrs. Blair, and I am **so** excited to welcome you to our second grade class! I am thrilled that you will be here to join me on this 2025-2026 school year adventure. I know that you are looking forward to all of the fun and exciting things we will learn and explore together. Please remember to keep reading and practicing your addition and subtraction facts over the summer as this will be very helpful to you as you enter second grade! I am looking forward to it being a successful year for all. Feel free to e-mail me this summer if you have any questions, or if you'd just like to say "hi!" I will be checking my e-mail over the summer at the address listed below.

Please see the attached supply list to find items that you will need to be most successful this year!
