

Welcome to Second Grade!

Hello! _____

I am Mrs. Blair, and I am **so** excited to welcome you to our second grade class! I am thrilled that you will be here to join me on this new adventure for the 2026-27 school year. I know that you are looking forward to all of the fun and exciting things we will learn and explore together – so am I! Please remember to keep reading and practicing your math facts over the summer, as this will be very helpful as we begin our new year together! I am looking forward to it being a successful year for all!

Feel free to email me this summer if you have any questions, or if you'd just like to say "hi!" My email address is listed below.

Please see the attached supply list to find items that you will need to be most successful this year!
