

WELCOME TO SECOND GRADE!

Hello!

I am so excited to be your second-grade teacher! The upcoming school year will be filled with learning, exploration, and, of course, lots of fun.

Over the summer, take time to read some great books, practice your math facts, and enjoy making special memories with your family. I have included my email address if you have any questions or would just like to say "hi." I also have included the school supply list so we can start the year with everything we need for a successful year together.

I look forward to meeting you and welcoming you into our classroom family!

Enjoy your summer!
