

Hello Future Firstie!

My name is Mrs. Cowburn and I am so happy to be your FIRST GRADE teacher! For many of you, this is our second year together and it makes me so happy. I can not wait to spend more time with you and watch you grow. 😊

First grade is such an exciting year! Together, we will rise up for new challenges in reading, math and writing. Next year, Chittenango K-4 students will begin a new ELA program entitled Arts and Letters. This program encompasses not only reading and writing but science and social studies too. In math we will work towards developing a strong number sense and will dive into geometry as well. The important part is that we are doing this as a TEAM and will learn so much.

To make our year together the best it can be, please look at our supply list of necessary first grade items. In addition, you will need to bring a **snack on a daily basis**. I also **HIGHLY** encourage water bottles that can be kept in the classroom..

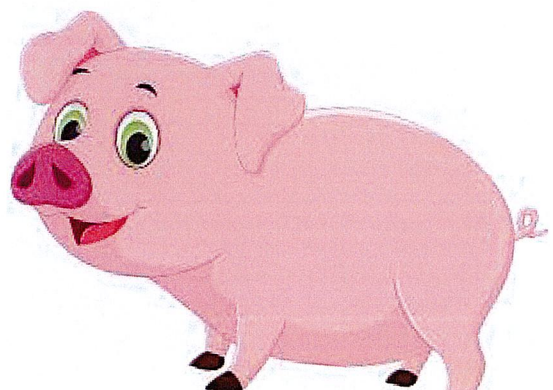

I can't wait to see everyones smiling face come through my door. Our school is a wonderful place filled with so many special people.

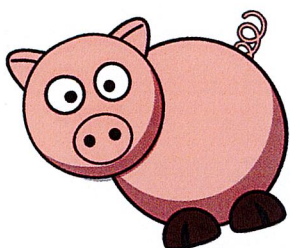

You are going to LOVE being a FABULOUS FIRSTIE.

With a smile,

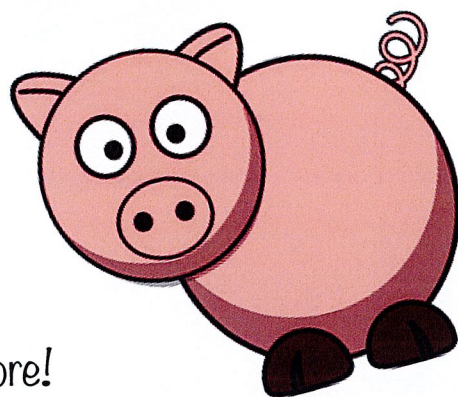

Mrs. Cowburn 😊
