MEET THE TEACHER

Mrs Ward

HELLO THERE!

Hi! I'm so excited to be your child's teacher next year! You may know me as Miss Kleine, but I will be getting married in August and will then be Mrs. Ward. When I'm not teaching, I enjoy coaching and playing sports, reading, and spending time outdoors with my dog, Benson, as well as my family and friends. I love getting to know my students and learning about their interests, hobbies, and goals. Now that you know a little bit about me, it's your turn! Please write me an email telling me all about your child.

IN SECOND GRADE

In second grade, we will explore many exciting topics, including families, communities, and the world around us. We will work on fun projects, meet special visitors, go on field trips, and learn lots of new things together. Our classroom will be a place where everyone is treated with kindness, respect, and compassion. Every student learns in their own unique way, and I will help each of you become the best learner and person you can be. I can't wait to meet all of you and begin a year filled with learning, growth, and fun. It's going to be a great year!
