

Dear Students,

Welcome to 2nd grade! My name is Ms. Bitcon and I am excited to be your teacher next year! It is going to be a great year filled with learning, meeting new friends and exciting new experiences.

To make sure we start the year off right, please bring the following supplies on the first day of school.

- Backpack
- Snack (we will have a snack time everyday)
- Pencil case
- 1 box of #2 pencils (for our class pencil bin)
- Glue sticks
- 1 box of crayons
- Erasers
- 2 sturdy folders (each a different color, poly folders hold-up the best)
- Art smock
- Headphones (that can plug-into an iPad)
- 1 box of tissues for the classroom

Remember to read, write and practice math facts over the summer break. Have a fun and safe summer and I'll see you in September!

Sincerely,  
Ms. Bitcon
