

DEAR SECOND GRADE FAMILIES,

Welcome to *2nd grade!* My name is Kassie Kleine and I will be your child's teacher. I am thrilled that your child is in my class and **I cannot wait to meet you and your child!** This is my ninth year teaching at Bolivar Road Elementary School and I can't tell you enough how much *I love my job!*

I am very passionate about teaching all subjects. We get to learn about friends and families, communities, the world around us, and more! I have so many exciting things planned for us including **field trips, individual and group projects, classroom visitors, and lots and lots of learning!**

I think it is very important to work **together** as a classroom family. We will be spending a lot of time together so it is important to treat each other with respect, kindness, and compassion. I know each of you have a different brain, which means you **think and learn differently**. It is my job as your teacher to help you grow as a learner and as a person of **GOOD CHARACTER**.

I would also like to tell you a little about myself. When I am not planning lessons, you can find me **coaching on a field or a court** and playing sports as much as I can! I coach varsity girls soccer and basketball up at the high school. I love to read and be outdoors with my dog, **Benson**, my family, and friends.

Now that you know a little bit about me, it's your turn! Please write me a letter telling me all about your child. I want to know **what they like to do, if they are nervous about school, their favorite hobbies**, and *anything else you'd like me to know*. It's important that I get to know your child right away so we can start off the school year right. Please send the letter to my **email address** before we begin the school year!

Items you will need to bring to school everyday:

- small healthy snack
- water bottle
- sneakers
- backpack and blue take-home folder
- lunch from home or money to buy

Love,
Miss Kleine
