

2026/2027 School Year

Dear Fourth Grader,

Welcome to Fourth Grade! My name is Miss Giangioffe and I am looking forward to being your teacher in September. I hope that you will enjoy a nice summer with your family and friends and will be ready to come to school and learn the exciting new things planned for you. We will have a lot of fun in math this year as we learn more about division and fractions. We will read some fantastic books and work on becoming even better readers and writers. In science, you will learn about some interesting topics such as electricity and the life cycle. You will also be learning about the history of New York State and the American Revolution in social studies. I will be your teacher for all subjects this year; language arts, math, social studies, and science.

This is going to be an exciting year of learning. We will work together to feel good and be comfortable as we face new challenges. Soon it will be the first day of school, and I will be waiting for you at our classroom door. Please don't forget to practice your math facts and read! I look forward to seeing you soon. Below you will find a list of supplies that you will need for school. Enjoy the summer!

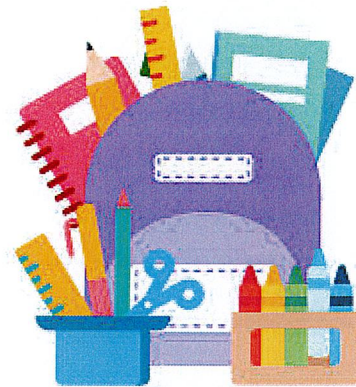

Sincerely,

Miss Giangioffe

Our Supplies

Should bring...

- 4 one-subject notebooks
- 1 composition notebook
- Pencil box
- Earbuds/headphones

- Expo markers
- Shelf-stable snacks

Parents/Guardians,

I appreciate your support in helping our students be prepared for our year together. If you are unable to supply your learner with necessary items, please contact me and I will do my best to help.

I look forward to getting to know your student and helping them to grow and succeed this year. If you have any questions or concerns throughout the coming school year, please do not hesitate to contact me. You can reach me through email at mgiangiobbbe@chittenangoschools.org, or contact me via the school at 315-687-2880 and I will return your call as soon as possible.
