GENERAL INFORMATION

We believe...**Chittenango Central Schools** are a safe and supportive environment where all members of our school family, especially students, can learn and focus. We believe... our school district is a place where we do not fear being hurt on the outside or the inside because of the way we look, our beliefs, or our differences. At **Chittenango**, we believe we are responsible, caring, fair, honest, and courageous. We show self-control and respect others at all times. Every **Chittenango** student and adult has the right to attend school in a safe, welcoming, and caring environment. This much we believe and more...

School Hours

School starts at **8:45 am** - Bus and drop off students are allowed in the building beginning at 8:20 am.

Dismissal starts at **2:55 pm** - No child will be released from school during the day without a written note from a parent or guardian.

Entering the Building

In an effort to maintain the safety of all of the students, all entry doors will be locked while school is in session. When a person arrives, they will be required to push the intercom buzzer to communicate with the office staff.

Parent Parking (Refer to Visual Maps - Page 5)

We request your support in ensuring that all visits to the school are safe, organized, and pleasant. We ask that all parents and visitors follow the guidelines below.

1. Several adults are in front of the school while buses are unloading to ensure the **safety and assistance** of all students. We encourage you to use our school transportation system daily.
2. Driving in the bus zone **is strictly prohibited**. Buses are unloading and loading students in this zone. It is illegal, and very dangerous, to pass a stopped school bus when the large red lights located at the top of the bus are flashing. Flashing lights mean that students are either entering or exiting the bus. You must always stop for flashing red lights, even on divided, multi-lane highways and on school grounds.
3. If you drive your child to school, please use the Button Fields entrance. Staff members will assist students at the drop off area starting at **8:20 am**. In the afternoon, the same entrance should be used. Dismissal begins at **2:55 - 3:05 pm for last names beginning with letters A-L and 3:05 - 3:15 pm for last names beginning with letters M-Z**.
4. **Parking in the lot on the side of the school and walking your child into the main entrance vestibule is required after 8:45 am**. For your convenience, we have designated parking spaces for this purpose.

LATE ARRIVAL & EARLY DISMISSAL

LATE ARRIVAL (AFTER 8:45AM) (PARENT/GUARDIAN DROP-OFF):

- Parents/Guardians should park in the orange area indicated on the map and walk their child to the main entrance vestibule. When arriving, please push the appropriate buzzer which will alert the office staff of your arrival.

EARLY DISMISSAL (BEFORE 2:55PM) (PARENT/GUARDIAN PICK-UP):

- Parents/Guardians should park in the orange area indicated on the map and walk to the main entrance vestibule. When arriving, please push the appropriate buzzer which will alert the office staff of your arrival. Once signed out, your child will meet you at the vestibule.

For clarification purposes, this map has been included for late arrival and early dismissal at Chittenango Middle School.

Student Dismissal Procedures (Refer to Visual Maps - Page 5)

UPK-4 students are dismissed between **2:55 and 3:15 pm**.

For parents transporting their children, dismissal begins at **2:55 - 3:05 pm for last names beginning with letters A-L** and **3:05 - 3:15 pm for last names beginning with letters M-Z**.

If you need to pick up your child earlier than their scheduled dismissal time, please send a written request to school with your child that morning. Once the school day has begun, please email any pick up requests to Mrs. Just, jjust@chittenangoschools.org, in the main office by **1:00 pm**.

Individual pickup requests should be limited and need to be for a pickup time no later than 2:30 pm.

The personal safety of each student during the school day is the responsibility of the school district. No staff member may excuse any student from school prior to the end of the school day, or into any person's custody, without the direct prior approval and knowledge of the building principal.

The building principal may not excuse a student before the end of the school day without a written request for early dismissal by the student's parent/guardian. Telephone requests for early dismissal of a student are for emergencies only and shall be honored only if the caller can be positively identified as the student's parent or guardian with whom he or she resides.

Parents should make an effort to provide supervision for younger children in case of an early dismissal.

Item Drop Off

If a parent needs to drop items off for their children, office staff will meet you at the main entry.

Toys and Electronics

All toys, cards, fidgets, cell phones and electronic devices should be left at home. **School is not responsible for lost, damaged, or stolen items.**

Computer/iPad Usage

Computers and iPads are for schoolwork only. Student passwords are not to be shared with other students.

Free or Reduced Price Lunches

The 2022-2023 cost for breakfast is \$1.95, lunch costs for UPK-4 is \$2.60.

The U.S. Government will continue to provide free and reduced lunches at no direct cost to the local school district under the guidelines of the Free/Reduced Lunch Program. To qualify for this program, parents must complete the application that was sent home. Applications for free or reduced prices for lunches are to be directed/mailed to the Food Service office at (315) 687-2864. Formal applications are required in order to qualify for this particular program.

Personnel assigned to determine eligibility are:

- (1) The Food Service office who processes the applications to determine eligibility as well as assist and answer questions pertaining to the application.
- (2) The Assistant Superintendent for Business who will act as the Appeals Officer for people whose application has been denied.

Emergency School Closing Policy

In addition to the traditional school closing information broadcast on local television/radio stations and posted on our website, Chittenango Central School District has instituted a Parent Emergency Telephone Notification System (ParentSquare). Our closings will be announced on the local radio stations and television channels, as well as on our Chittenango School Website, www.chittenangoschools.org. ParentSquare provides direct automatic phone communications to parents and guardians in the event of an unexpected early dismissal, weather delays, cancellations, notifications of school emergencies, and upcoming important school events.

Please make sure your child's school has current information on file each school year. Any changes in phone numbers, addresses, daycare providers, etc., should be communicated in writing to the office as soon as possible.

While this system offers numerous advantages, it, however, CANNOT dial extension numbers. Therefore, please use a number that will directly reach you.

If a **"one-hour delay"** is anticipated, an announcement will be made as early as possible. This means **all morning pickups will be one hour later**. From that point on, school will return to the regular schedule including lunch, dismissals, etc. However, **keep listening** if a "one-hour delay" is announced as school could eventually close by **7:45 am**.

If schools are to be dismissed early (thirty (30) minutes or more), announcements will be made as close to **noon** as possible. In such cases, students could arrive home earlier depending upon how early the dismissal takes place and weather conditions.

Regular school attendance is critical to a student's academic success. For this reason, the Board of Education has implemented a policy to encourage full student attendance. The following information includes examples of excused and unexcused absences.

Unexcused Absences are babysitting, working, being tired or oversleeping, shopping, needed at home, cold weather, or missing the bus. These are considered unexcused absences.

Tardies - If a student's tardies add up to an equivalent of a day, (6.5 hrs), they will not be eligible for perfect attendance.

If your child is absent for any reason, please call Bolivar's main office at (315) 687-2880 by 9:30 am.

An example of a recommended absence excuse is shown below. Please use the “Home To School” yellow notepad for school communications and let the office know when you need a new pad sent home.

[illegible]

Prompt arrival to school is expected of all children. Late arrival disrupts class and causes loss of instructional time. Any children arriving after **8:45 am** need to be signed in by the parent, guardian, or adult dropping them off. **Students may not sign themselves in.** The parent or guardian will be required to sign in the student and submit an excuse for the tardy arrival. The student will then be issued a pass to enter their classroom. This also applies to children coming in late from a medical appointment.

Page 8

Attendance at School

All children returning to school must have permission to return given by a doctor for the following conditions:

Tonsillectomy	Meningitis	Pneumonia
Broken Bones	Rheumatic Fever	Operations
Encephalitis	Smallpox	Polio Myelitis
Diphtheria	Infectious Hepatitis	(Infantile Paralysis)
Covid-19 (and proof of Negative result)		

In addition to the reportable diseases, there are other communicable diseases or conditions for which the school may legally exclude a child:

Chicken Pox	Impetigo	Acute Conjunctivitis (Pinkeye)
Measles	Colds	Ringworm
German Measles	Scabies	Streptococcal Sore Throat
Lice		(including Scarlet Fever and/or
Mumps		Whooping Cough Scarlatina)

Children returning to school upon recovery from any of the above must be approved by the School Nurse before re-admittance.

Influenza-Like Illness (ILI)

The New York State Health Department defines ILI as a fever greater than or equal to 100 degrees AND a cough and/or sore throat. Please notify attendance when calling in your child absent if he/she has ILI symptoms. In keeping with New York State Health Department recommendations, your child is not permitted in school or is to be sent home from school if he/she has a temperature 100 degrees or more. It is further recommended that he/she not be permitted to return to school until he/she is fever free without the use of medication for 24 hours.

School Nurse

There is a school nurse in each elementary school. She will handle all first-aid problems.

Sunscreen

Please notify your child's classroom teacher that your child has sunscreen and may apply it to themselves. Classroom teachers **will not** apply sunscreen.

Student Medication

The following regulations from New York State Educational Law and Public Health Law pertain to prescription and nonprescription medication that is necessary to be taken by students at school:

- A signed written request is required from the family physician indicating the name of the child and the reason for giving the medicine. This request must include the name of the medication, the frequency, dosage, and the time of day to be given. All medication must come to school in the original container.

- A signed written request from the parent is required to administer the medication as specified by the family physician.
- Medication must be delivered, in the original container, by the parent/guardian to the school nurse or to the school office. No medication is to be brought to school by the child except if permission is given by the physician to do so.
- No medications are permitted in the classroom or on a student's person unless a physician gives permission.
- Physicians' orders are requested to be renewed at the start of each school year.

Safety

Safety is a topic that is taught all the time in the elementary schools. We must always be alert and practice good health and safety habits. Running, pushing, tripping, throwing snowballs and other objects, fighting, etc. are not acceptable forms of behavior.

Students are not to be in the parking area unless getting into or out of a car. Students are to stay on the walk areas when entering or leaving the building.

Accidents, Injuries, and Insurance

Report immediately all injuries to the school nurse or teacher in charge of the class or activity. If any injury occurs while participating in an approved physical education or play activity, the school does carry limited insurance to cover injuries. Information on the school's personal injury policy can be obtained from the school nurse.

Health Services

The school of today is interested in the development of your child mentally, emotionally, socially, and physically. The matter of health is of great importance. The proper amount of sleep and regular nourishing meals will do much to help your child succeed in school.

Physical Exams

Education Law Article 19 and Regulations of the Commissioner of Education require physical examinations of public school students:

- Entering the school district for the first time, in grades UPK or K, 1, 3, 5, 7, 9, and 11, and at any grade level by school administration, in their discretion to promote the educational interests of the student.
- In order to participate in a strenuous physical activity, such as interscholastic athletics.
- In order to obtain an employment certificate.
- When conducting an individual evaluation or reevaluation of a student suspected of having a disability or a student with a disability.

Chittenango Central School District will provide physical examinations done by the district physician during the school year at no cost to the parent/guardian. You may choose to have your family physician do the health appraisal. A physical form is available from the school nurse for the doctor to complete and return to the nurse. Unless this form or other certificate of health is returned to the school, children in grades UPK or K, 1, 3, 5, 7, 9, and 11, and at any grade level by school administration, in their discretion to promote the educational interests of the student, will be given a health appraisal by the district physician.

Immunizations

Public Health Law Section 2164 (7)(a) requires a series of immunizations for school entry. The school nurse will advise which immunizations are needed for which grade level. No student shall be admitted to school, or attend school in excess of fourteen days, without the acceptable evidence of the required immunization(s). A record of the child's health status is begun upon entering UPK or kindergarten and will continue through school.

In classrooms, diseases, colds, and the like spread rapidly because of close contact of the children. We advise keeping your child at home when they are not feeling well or if a sore throat, runny nose, cough, skin rash, fever, or upset stomach occurs. Many illnesses start with these symptoms. If a child develops these symptoms at school, the parent will be notified and asked to pick up the child. For this reason, it is important that parent/guardians, who are not at home during the school day, designate someone who will be available to pick up their child. If your child is ill, special effort should be made by parent/guardians to notify the school nurse, office, or teacher.

If your child has a contagious or infectious disease such as chicken pox, measles, German measles, mumps, impetigo, or head lice (**see Attendance at School section**), the student is seen by the school nurse before returning to the classroom unless there is a written statement from your doctor stating that the student is physically able to return to school. A written statement from the doctor is required for the following conditions: Encephalitis, Meningitis, Infectious Hepatitis, operations, and fractures.

This note **must** accompany the child when returning to school.

If your child is injured in school, we provide first-aid. Should the injury appear serious, we will contact you as soon as possible. Any health treatment beyond first-aid is interpreted as a home responsibility, thus making the choice of a physician and decisions in regard to treatment the parent's responsibility.

We will be glad to hear from you whenever you have problems concerning your child's health.

Elementary School Head Lice Protocol

In order to remain proactive with the health issue of head lice, the Board of Education has adopted a no nit/lice policy. The following protocol has been established to deal with this health issue.

Lice Prevention Education

- The Board policy along with other prevention advice will be included in the parent and student handbooks.
- The nurse will explain procedures for removing lice to parents if lice has been discovered on their child.

Prevention Practices

1. Students must be reminded not to share combs, brushes, hats, or other articles of clothing.
2. Hats, mittens, and scarves should be stored in the sleeves of coats.
3. Art smocks should be sent home periodically for laundering and should be stored in plastic bags.
4. Long hair should be pulled back with barrettes or in a ponytail.
5. Students' coats and other articles of clothing should not be placed in piles.
6. Students should be discouraged from bringing or sharing stuffed toys.

Procedures if Nits or Lice are Found

1. Parents will be called to take the child home.
2. The nurse will give a notification letter to the parents picking up the child and explain the procedures for eliminating nits/lice.
3. The nurse will check students in the class where the case was found and also check siblings or notify other buildings where siblings attend.
4. A letter will be sent to all parents of students in the class where nits/lice were found.
5. The student must be brought to school by a parent/guardian and will be rechecked by the nurse before readmission to school and bus transportation. If the verification of treatment form is returned and no nits or lice are found, the student will be readmitted.
6. For persistent cases, the assistance of the Department of Health may be solicited.

In Case of Nurse Absence

New York State Educational Law states that the unauthorized practice of nursing is a Class E felony. Based on this law, when a licensed (R.N.) school nurse is absent from the building, Chittenango Schools will do their best to have a licensed nurse substitute.

If there is no licensed nurse substitute available, we will do our best to have another building nurse give medication/treatment within the hour guideline. Please note, however, that it is ultimately the parent/guardian's responsibility to provide medication/treatment for their child in the absence of a licensed nurse.

Emergency Drills

During the school year, NYS law requires **12** emergency drills.

Fire drills are to be taken seriously at all times. There will be **6** fire drills in the fall and **2** in the spring. When the fire alarm sounds, all students will go immediately to the nearest exit without talking, pushing, or running.

There will also be **4** lockdown and shelter/evacuation drills. At the time of these drills, students will follow routine safety procedures.

Parent Conferences

Parent conferences are scheduled with teachers after the first report card is issued. Parents are encouraged to discuss their child's progress with the teacher throughout the school year.

Student Records

The official school records of all students are available to parents according to Board of Education Policy. The policy follows the intent of the "Family Educational Rights and Privacy Act of 1974." A copy of the Board policy is available upon request. The policy explains the confidentiality of such records from outside sources. It also guarantees their availability to parents of all students as well as the complete record itself if the student is 18 years of age.

If a parent or student desires to challenge information in the official record, a process of appeal is established. Also, a copy of the person's challenge and the reasons for differing may be attached to the records. The policy requires such inspection to be done during school hours and under the supervision of a qualified staff member. Copies of student records are available upon request.

A written parent release is not necessary when a student indicates he/she is transferring to another educational institution. In such cases, the parent and/or student have the right to inspect what is being transferred and request copies.

Report Cards

The school year is divided into four (4) marking periods. They are approximately ten (10) weeks in length for the purpose of evaluating academic progress. On the report card there is an explanation of the marking system and reading level.

Progress Reports

The report card period covers a ten (10) week span of time. After the first five (5) weeks of school, a progress report is sent home with students in grades 3-4. At the midway time (five weeks) of each marking period, an unsatisfactory progress report is sent home if a student does not seem to be working up to their ability. It may also be used at other times during the school year if a teacher so desires. The object of the report is to keep the parents informed of the academic progress of the student.

Home Teaching

Due to **extended and serious** illness, home teaching can be provided in most cases. However, if home teaching is not necessary, parents and teachers should communicate so that work can be sent home during periods of illness.

Kindergarten

Kindergarten students must be **5 years old** on or before **December 1st of this school year**. Information about registration may be obtained from the district office.

General Bus Guidelines

It must be clearly understood that in order to enjoy the privilege of riding the bus, students must fulfill certain responsibilities. These responsibilities include the following:

Rules While Waiting for the Bus

1. Students shall wait for the bus at the nearest designated stop. Changing from one stop to another is prohibited. Students coming home from school should get off the bus at the same point where they were picked up. Students should arrive at the bus stop at least five (5) minutes early.
2. Discipline at bus stops is a parental responsibility--the district simply determines the point of student pick up. All students are expected to be courteous and to respect the property of others at all times.
3. When a bus approaches a pickup point, students shall not push or shove while forming a line. Pushing and shoving may result in injury.
4. After leaving the bus at the end of the school day, the child's behavior is again the responsibility of the parent.

Rules While Riding A Bus

1. The bus driver has complete charge of students while they are entering, leaving, or riding the bus. Students are expected to conduct themselves so that they do not distract the driver.
2. Any object that can be placed on the lap of a student and does not protrude into the aisle is permitted on the bus. No live animals of any sort are permitted. Toy weapons, radios, games, and electronics are to be left at home.

3. While on a bus, students **SHALL NOT...**
 - a. **SMOKE**
 - b. **EAT**
 - c. **USE PROFANE LANGUAGE**
 - d. **FIGHT OR QUARREL**
 - e. **CHANGE SEATS**
 - f. **MARK OR DEFACE THE BUS**
 - g. **STICK ARMS, HEAD, ELBOWS, AND/OR HANDS OUT OF THE BUS WINDOWS**
 - h. **CARRY ANY TYPE OF GLASS CONTAINER ON THE BUS**
4. When exiting the bus, all students who must cross the road must cross at least ten (10) feet in front of the school bus. Students must also wait when crossing in front of the school bus for the driver's signal to cross. Crossing at the rear of a bus is dangerous and is prohibited.

The Board will appoint a committee to annually review and update, if necessary, the Code of Conduct. Via mailings, general meetings, written copy and handbooks, the Board will ensure that the educational community is aware of the Code.

DIGNITY FOR ALL STUDENTS ACT

The Board of Education recognizes that learning environments that are safe and supportive can increase student attendance and improve academic achievement. A student's ability to learn and achieve high academic standards, and a school's ability to educate students, is compromised by incidents of discrimination or harassment, including but not limited to bullying, taunting and intimidation. Therefore, in accordance with the Dignity for All Students Act, Education Law, Article 2, the District will strive to create an environment free of discrimination and harassment and will foster civility in the schools to prevent and prohibit conduct which is inconsistent with the District's educational mission.

The District condemns and prohibits all forms of discrimination and harassment of students based on actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender, or sex by school employees or students on school property and at school-sponsored activities and events that take place at locations off school property. In addition, any act of discrimination or harassment, outside of school sponsored events, which can reasonably be expected to materially and substantially disrupt the education process may be subject to discipline.

Dignity Act Coordinator

At least one (1) employee at every school shall be designated as the Dignity Act Coordinator(s). The Dignity Act Coordinator(s) will be thoroughly trained to handle human relations in the areas of race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender (identity or expression) and sex. The Board of Education shall appoint the Dignity Act Coordinator(s) and share the name(s) and contact information with all school personnel, students, and parents/persons in parental relation.

If a Dignity Act Coordinator vacates their position, another school employee shall immediately be designated for an interim appointment as Coordinator, pending approval from the Board of Education, within thirty (30) days of the date the position was vacated. In the event a Coordinator is unable to perform the duties of the position for an extended period of time, another school employee shall immediately be designated for an interim appointment as Coordinator, pending return of the previous Coordinator to the position.

Training

Training will be provided each school year for all District employees in conjunction with existing professional development training to raise staff awareness and sensitivity of harassment and discrimination directed at students that are committed by students or school employees on school property or at a school function. Training will include ways to promote a supportive school environment that is free from discrimination and harassment, emphasize positive relationships, and demonstrate prevention and intervention techniques to assist employees in recognizing and responding to harassment and discrimination, as well as ensuring the safety of the victims.

Instruction in grades Kindergarten through 12 shall include a component on civility, citizenship and character education. Such component shall instruct students on the principles of honesty, tolerance, personal responsibility, respect for others, observance of laws and rules, courtesy, dignity and other traits that will enhance the quality of their experiences in, and contributions to, the community. For the purposes of this policy, "tolerance," "respect for others" and "dignity" shall include awareness and sensitivity to discrimination or harassment and civility in the relations of people of different races, weights, national origins, ethnic groups, religions, religious practices, mental or physical abilities, sexual orientations, genders and sexes.

Rules against discrimination and harassment will be included in the Code of Conduct, publicized District-wide and disseminated to all staff and parents. An age-appropriate summary shall be distributed to all students at a school assembly at the beginning of each school year.

Reports and Investigations of Discrimination and Harassment

The District will investigate all complaints of harassment and discrimination, either formal or informal, and take prompt corrective measures, as necessary. Complaints will be investigated in accordance with applicable policies and regulations. If, after an appropriate investigation, the District finds that this policy has been violated, corrective action will be taken in accordance with District policies and regulations, the Code of Conduct, and all appropriate federal or state laws.

The District will annually report material incidents of discrimination and harassment to the State Education Department as part of the Uniform Violent and Disruptive Incident Reporting System (VADIR).

Prohibition of Retaliatory Behavior (Commonly Known as "Whistle-Blower" Protection)

Any person who has reasonable cause to suspect that a student has been subjected to discrimination or harassment by an employee or student, on school grounds or at a school function, who acts reasonably and in good faith and reports such information to school officials or law enforcement authorities, shall have immunity from any civil liability that may arise from making such report. The Board prohibits any retaliatory behavior directed at complainants, victims, witnesses and/or any other individuals who participated in the investigation of a complaint of discrimination or harassment.
